

# Who are the Friends...

Our organisation is made up of people with an interest in supporting the Gardens and its ongoing development. We are a mixture of nature lovers, walkers, gardeners, bird observers, artists, environmentalists, photographers and many more. All age groups are represented in our membership.

The Friends offer a range of activities to its members, both indoor and outdoor. In addition, as a member, you are able to join in one or more of our special interest groups, as below.

## Growing Friends

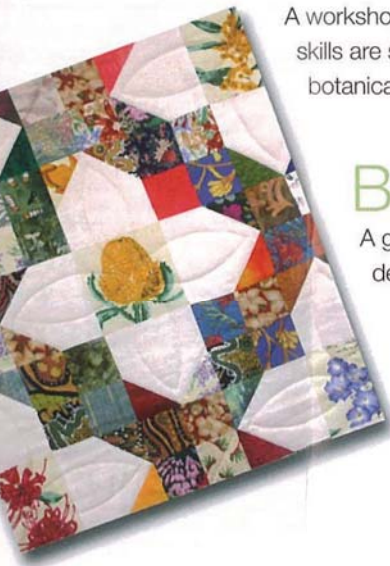

A group meeting regularly to propagate plants for school projects, local revegetation work and for sale at public events.

## The Press Gang

A group collecting, identifying, pressing and mounting plants from the Gardens to form a herbaria as part of the National collection for reference and education.

## Botanical Fabricators

A workshop where ideas and skills are shared to create botanical based crafts.

## Botanical Illustrators

A group of artists meeting, with a tutor, to illustrate plants in detail using a variety of media.

## Feathered Friends

Birds and animals abound in the gardens and are recorded by a dedicated group on their bush walks.

## Application for Membership

An application form for membership of the Friends is on the reverse side of this page.

The membership year runs from 1st July to 30th June, and the annual subscription rates are:

Individual (Full) membership	\$20.00
