

MUELLERIA

An Australian Journal of Botany

VOL. 2, No. 1. MARCH, 1969

25 FEB 1969

NATIONAL HERBARIUM

ROYAL BOTANIC GARDENS, MELBOURNE

VICTORIA, AUSTRALIA

R. T. M. PESCOTT, Director and Government Botanist

6442/68.

CONTENTS

	Page
The genus <i>Villarsia</i> (Menyanthaceae) in Australia— Helen I. Aston	3
A review of the genera <i>Teloschistes</i> and <i>Xanthoria</i> in the lichen family Teloschistaceae in Australia—Rex B. Filson ..	65

The publication of this number has been made possible by a direct grant from the Botanic Gardens Branch Research Trust Fund which was set up in 1965, as the result of a generous donation to the Royal Botanic Gardens by Miss Maud M. Gibson of Switzerland, formerly of Melbourne. The trust in addition to providing a grant of \$1,000 towards the cost of printing, also assumed financial responsibility for the provision of Research Assistants for the two authors.
