ROYAL BOTANIC GARDENS MELBOURNE
NATIONAL HERBARIUM OF VICTORIA

Muelleria publishes research papers on Southern Hemisphere plant, algal and fungal systematics, particularly relating to Australia and the states of Victoria and Tasmania, and to the collections of the National Herbarium of Victoria. Acceptable submissions include: taxonomic revisions; phylogenetic and biogeographical studies; short papers describing new taxa, documenting nationally significant new records, or resolving nomenclatural matters; historical analyses relevant to systematics; any other research contributing to our knowledge of plant, algal or fungal diversity.

Muelleria is published biannually by the National Herbarium of Victoria, Royal Botanic Gardens Melbourne. Manuscripts should be sent by email or duplicate hardcopy to:
