ROYAL BOTANIC GARDENS MELBOURNE  
NATIONAL HERBARIUM OF VICTORIA

**Muelleria** publishes research papers on Southern Hemisphere plant, algal and fungal systematics, particularly relating to Australia and the states of Victoria and Tasmania, and to the collections of the National Herbarium of Victoria. Acceptable submissions include: taxonomic revisions; phylogenetic and biogeographical studies; short papers describing new taxa, documenting nationally significant new records, or resolving nomenclatural matters; historical analyses relevant to systematics; any other research contributing to our knowledge of plant, algal or fungal diversity. Special issues or reviews will also be considered after discussion with the Editor.

**Muelleria** is published biannually by the National Herbarium of Victoria, Royal Botanic Gardens Melbourne. Supply full contact details for main author. Colour plates will only be considered after discussion with the Editor; you may be asked to provide some funds towards the cost of producing them. A high resolution pdf file will be provided to the authors after the journal is printed.

Manuscripts should be sent by email or duplicate hardcopy to:
