

17th Australasian Botanic Guides Conference, October 2022 - Track Timetable

Updated 5/7/2022

The Conference will run over five days with three days in Melbourne, one day in Cranbourne and one day of garden excursions. All delegates will be at the Melbourne Gardens on Monday, Thursday and Friday. Half the delegates will attend Cranbourne on the Tuesday and half on the Wednesday. On the other day you will be on a day excursion. Your day excursion choice, (**Track 01**) will determine which day you go to Cranbourne. The Tuesday Cranbourne program is repeated on Wednesday.

The track number refers to an activity session listed on the registration website. Many of these have multiple choices.
