RBG management and staff recognise that they play an inherent role in prevention and mitigation activities to minimise the effects of emergencies that may occur. RBG implements an emergency procedures policy conforming to the Australian standard AS 3745-2010. RBG Education staff are trained in emergency response.											
<b>In Case of Emergencies whilst visiting the Royal Botanic Gardens Cranbourne please call the Visitor Centre 03 5990 2265 or dial 000.</b>											

Add more rows as required. This is one way of documenting the risk management process and does not preclude other approaches.
